

March 26 Assignment

Design the UI provided

```
import React, {Component} from 'react';
import {
  StyleSheet,
  Text,
  View,
  SafeAreaView,
  TouchableOpacity,
  TextInput,
  ScrollView,
  FlatList,
  Image,
} from 'react-native';

class design extends Component {
  render() {
    return (
      <SafeAreaView style={styles.Largecontainer}>
        <View style={styles.container}>
          <Image
            style={{width: 20, height: 20}}
            source={require('../test1/src/Asset/image/logo.png')}
          />
          <Text style={styles.text}>Your Logo</Text>
        </View>
        <View style={styles.border} />
        <Image
          style={styles.centerimage}
          source={require('../test1/src/Asset/image/Finance.png')}
        />
        <Text
          style={{
            color: 'black',
            marginTop: 60,
            marginHorizontal: 70,
            fontSize: 26,
            fontWeight: 'bold',
          }}>
          Banking Reimagined
        </Text>
        <Text
          style={{
            marginTop: 15,
            textAlign: 'center',
            fontSize: 13,
            color: 'rgb(131,131,131)',
          }}>
          Save, Borrow, Spend & Grow your money,{'\n'} without leaving your
```

```

        bank!
      </Text>
      <View style={styles.border2} />
      <TouchableOpacity>
        <Text style={styles.buttontext}>Get Started</Text>
      </TouchableOpacity>
    </SafeAreaView>
  );
}
}
const styles = StyleSheet.create({
  Largecontainer: {
    flex: 1,
    padding: 5,
  },
  container: {
    flexDirection: 'row',
    alignItems: 'center',
    justifyContent: 'center',
